

EXOTIC BATHWARE

ABOUT US

ZIM today's one of the most prominent brands in the world of bathroom fixtures in India.

It was in 1972 when we started our production under the guidance of Mr. J.P. Gupta, great visionary and adept technocrat in the field.

Though the beginning was in very modest level, because of the intellectual acumen, foresightedness, innovative steps, persistent endeavors and noble outlook to serve the customers and satisfy their tastes and aspirations matching with the ever-changing trends and fashions, the company created a distinct place, and also grew up to new excellence within a short span.

ZIM products manufactured in conformity with latest technology and international standards in different models and collections. Entire product ranges are popular for their excellent work-men ship, flawless performance, long durability and ever- lasting aesthetic appeal.

ZIM as a company run by a team of adept and experienced technical and professional personnel.

ZIM as brand believes in zero error product with quality as a supreme ideology to work for.

ZIM maintains a very effective and stringent TQM (Total Quality Management). That apart, continuous R&D is an intrinsic feature at **ZIM** right from raw material procurement to the finished products, rigid tests are undertaken at every stage of production to ensure that there is no deviation, whatsoever, from the relevant specification.

Having served numerous client in India and abroad to their entire satisfaction and expanding the product range as well as the manufacturing capacity to meet the growing demands, **ZIM** has become the trendsetter too.

ZIM also known as a best brand for after sales service by the competent, expert and dedicated team of technicians.

After having an exciting and growing journey close to 50 years now, company still expanding not only in India but also to other parts of the globe with a vision of innovation and customer first philosophy.
